Prayer Concerns

Ecumenical Cycle of Prayer: India, Pakistan, Sri Lanka

We give thanks for:

- ✠ the diversity of peoples in these countries: their cultures, values and spirituality
- ✠ for the resilience of minority religious groups and those on the margins of society such as indigenous communities, Dalits, women, youth, the disabled and sexual minorities, amid discrimination and persecution
- ✠ for the contributions of Christians and Christian churches in these countries to education and health services and for their innovative attempts in contextualizing their worship, theology and institutional life
- ✠ efforts to forge inter-religious solidarity for the sake of the common good.

We pray for:

- ✠ those who struggle to overcome grinding poverty
- ✠ Christians and others who selflessly work in the community, their efforts at ensuring the rights of all citizens, and their collaborative work
- ✠ efforts to build understanding and harmony among peoples across religious, caste and ethnic identities
- ✠ peoples' movements struggling for the rights of women, Dalits, Indigenous peoples, and the integrity of the earth
- ✠ leaders to keep priority on the wellbeing of the people and the earth itself amid demands for economic growth.
